> be examined by calling at this office. be especially interesting and instructive during the present session of congress The action of this congress will probably determine the issues upon which the next presidential campaign will be fought. The Commoner proposes to carry on a campaign of education and organization to the end that democratic principals

may triumph. In addition to the editorial departmen which receives Mr. Eryan's personal at tention, The Commoner contains a Current Topic department, wherein a nonpartisan discussion of topics of timely interest and other valuable information will be found. The Home Department is conducted by an experienced woman who is widely known as a writer of household topics and who is an authority on the art of cooking in all that the term implies. This department alone is worth the subscription price. The other departments of the paper are all interesting and ably conducted, among which is a summary of the world's news told in narrative style, and Mr. Maupin's department-Whether Common or Notcontains original anecdotes and wit, moral lessons in homely phrase and verse and appeals to old and young alike.

The Commoner as a whole is clean, entertaining and instructive, and its rapid increase in circulation-now mounting to 140,000-is proof of the paper's strength and influence.

Arrangements have been made with ties containing state institutions have Mr. Bryan whereby The Commoner can nearly all sent representatives here to PRESS, both papers for one year for \$1.65. This offer applies to both new and renewal subscriptions, and should be taken advantage of without delay. All orders should be sent to the PRESS office, Marble | nity.
